

zümbini[®]

For Schools

A fun, engaging, and effective music and movement program for children ages 2 - 5 in the pre-school or daycare setting.

THE CURRICULUM

Targets four key areas of development...

Emotional

Help children identify different emotions through use of various rhythms in class, creating intentional

Cognitive

Promote use of reason and logic by identifying music patterns and playing instruments and enhance language skills by repeating sounds and syllables

Social Skill Development

Engage in social interaction with peers through singing, dancing, and playing instruments together

Fine + Gross Motor Skill

Activate their small and large muscle groups with vibrant movement, choreography, and instrument play

THE TAKE-HOME MATERIALS

The Music

Created with Grammy-nominated Zumba producers to be educational yet fun and upbeat for everyone in the classroom

The Songbooks

Include lyrics and illustrations that correspond with music used in class

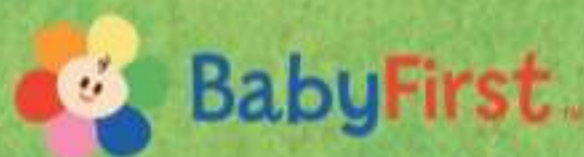

The TV Show

An interactive version of a live Zumbini class to continue the fun learning at home.
